Below are nine papers that are required readings for the three classes in Module 3. Please read each before the relevant class. In addition, each of you will be assigned to write a short paper or give an oral presentation on one of the readings for Class 2 or Class 3.

Class 1: (November 22) Normal Visual Development

Class 2: (November 29) Effects of Early Deprivation

Class 3: (December 6) Undoing the Effects of Early Deprivation
